

Logistics Coordinator

Your Contribution

As the Logistics Coordinator you are responsible for executing a specific part of the logistics process, such as coordinating the call-off to growers and managing transport to customers. The Logistics Coordinator communicates with transport suppliers, customers, growers, and/or (international) colleagues to ensure smooth handling of orders. The Logistics Coordinator contributes to the growth and strategic goals of HZPC by ensuring that the logistics process is carried out correctly and on time.

Specifically, your main tasks include :

- Informing growers which orders need to be prepared and processed, including timeline and creating grading orders.
- Answering ad-hoc questions and solving problems with deliveries or during the preparation phase.
- Arranging transport and making suitable agreements with transport suppliers.
- Coordinating the right means of transport and aligning the specifications with the relevant transport supplier.
- Informing all internal and external stakeholders to ensure correct timing, follow-up, and processing.
- Managing unexpected changes in different areas.

Your Profile

You are a driven professional with a passion for logistics. You have an eye for detail and analytical skills that help you solve problems quickly and effectively. You are proactive and can handle stress during peak seasons. Cooperation comes naturally to you, and you know how to communicate effectively with different teams.

Additionally, you have:

- Good analytical skills and attention to detail
- Ability to be proactive and handle stress during peak seasons
- A team player who collaborates with planning and logistics teams
- Previous experience in a logistics environment
- Education level MBO/HBO, or equivalent
- Good command of both Dutch and English. Additional languages are a plus.

What we Offer:

With us, you get the chance to be part of a team of experienced colleagues in the Logistics department. We are convinced that you will learn and grow a lot in your role. The work atmosphere is positive, with lots of humour and a strong willingness to support each other. Growth is high on our agenda, and we are happy to discuss with you what this means for you personally and how we can contribute to it.

Additionally, we also offer:

- A position in an international environment within a healthy and growing organization
- The possibility to work hybrid. We expect you to be partly in the office, but you have the freedom to work from other locations
- A fully HZPC-paid pension, allowing you to focus on your future without worries;
- 33 days off based on a 40-hour workweek;
- A 13th-month salary, paid out monthly for extra financial security;
- A place in a dynamic international organization with diverse opportunities for career and personal development;
- An additional reward in the form of our variable bonus, paid out every November based on achieved objectives;
