

Financial Controller

Your contribution

Royal HZPC Group is continuously developing. Currently we are working on our business transformation program called Aurora with the goal to improve processes, implement a new ERP system and optimize our ways of working. Also for the controlling department this is very important! We want to have clear and accurate information on what is happening in the different subsidiaries as well on Group level.

As Financial Controller you are responsible for the analysis and processing of financial data within your specific Strategic Business Areas (SBA's). In this case this means you are responsible for the financial control activities of HZPC Holland the largest operating company in the Royal HZPC Group. The challenge is to provide the Business Controllers and business leaders with clear, correct and timely management information so proper decisions can be made. These reports can contain financial and non-financial information and have room for improvement. This is where we can use your expertise.

We want to excel in what we do and are working hard to get there. The most important thing to us is that you have the same drive and motivation to reach our goals.

Specifically, you have the following main tasks:

- Responsible for on time delivery of the financial reports of HZPC Holland towards the HZPC group reporting;
- Analyzing and reporting financial results of HZPC Holland . For example, monthly cost reports;
- Prepare the calculations regarding to the payment towards growers and align this with various internal stakeholders;
- Participating in the financial year-end close;
- Preparing and analyzing the department and organization budgets together with the budget holders;
- Participating in various Finance projects.

Your profile

You are a professional with energy and a passion for finance. You find (both personal and organizational) growth just as important as we do and you thrive in an environment that is international, informal and constantly evolving and improving. This also means we appreciate your initiatives and we want you to think along. It is not just 'getting things done', it is just as much being critical on how to work smarter. It therefore speaks for itself you have a flexible mind and enjoy the process of growth. Even if it gets messy at times. With your strong communication skills, you will be able to find solutions for all challenges that cross your path. Working together is key.

In addition, you have/are:

- Minimum of bachelor (HBO) working proficiency in a field related to Finance & Control;
- Minimum 5 years of work experience in a financial control role;
- Preferably experience with Oracle Netsuite as ERP system;
- Experienced in working with Excel;
- Analytically strong and detail-oriented;
- Proactive in obtaining the necessary information. Don't wait too long. Just go and get it. It will be appreciated and makes your life easier;
- Good command of spoken and written Dutch and English.

What we offer

Now you know who we are looking for. So, what can we offer you? First of all, we have a team of experienced colleagues at the (Financial) Control department. The atmosphere is positive and no lack of humor and willingness to help each other. As you may have noticed we highly value growth. This is a broad term, and we will happily speak with you about what it means to you personally and how we can contribute to
